## **DUPONT SUSTAINABLE SOLUTIONS ACQUIRES COASTAL TRAINING TECHNOLOGIES**

**OCTOBER 2010 – BELLEVILLE, ONTARIO** – Recently, DuPont Sustainable Solutions acquired Coastal Training Technologies of Virginia Beach, VA.

Electrolab Training Systems has been the exclusive distributor of health and safety programs from Coastal since Coastal was formed in 1984 and will continue to distribute their products in Canada. Their commitment to creating the best content in health and safety products has not changed, and we are proud to continue our relationship with them.

The Training Solutions practice of DuPont Sustainable Solutions (formerly Coastal Training Technologies) offers blended learning solutions that integrate e-learning technologies, instructor-led courses and traditional media.

DuPont Sustainable Solutions is one of the world's leading publishers of safety, ethics and compliance, industrial skills and employee development training programs for healthcare, education, business, industry and government. Since 1984, more than 200,000 training professionals have relied on DuPont's award-winning products to enrich the lives of employees worldwide.
