

Adapted for SAFESTART

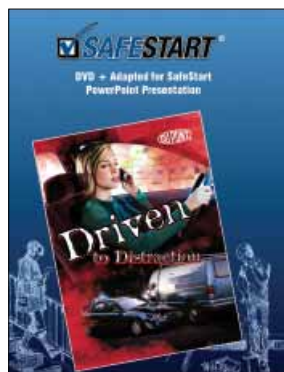

The best of both worlds—award-winning DVD content from DuPont and the injury-reducing principles of SAFESTART combined to enhance and extend your training in one complete and simple package.

- Reviews and solidifies the SAFESTART concepts and keeps these ideas fresh in their minds
- Facilitates group interaction and discussion with real-life stories
- Incorporates the “Work On Habits” CERT Challenge Card to get them practicing this very important Critical Error Reduction Technique

Safety Coach: Job Safety Analysis

Featuring Florida State head football coach Bobby Bowden, the video is based on the popular book, The Safety Coach: Job Safety Analysis #7-S263-SS \$595

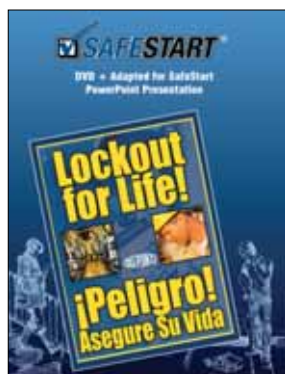

Driven To Distraction

The highly popular DVD illustrates just how dangerous distracted driving can be. The main character is the embodiment of the various distractions that accompany drivers. The impact of this program is powerful and memorable. #7-S412-SS \$595

Fire Safety: Alert, Aware, Alive

This program will teach employees life-saving information on the different types of fires, how they can be prevented and what to do in the event of fire. #7-S278-SS \$595

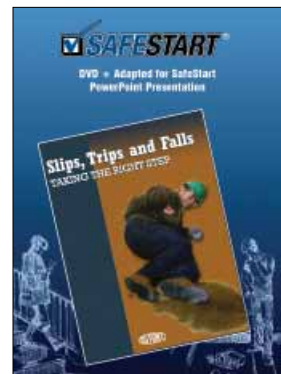

Forklift Case Histories Serious Business

This training program presents re-enactments of four actual accidents which occurred on or around forklifts and walkies. Your life may depend on learning from the mistakes of these victims. #7-S232-SS \$595

Lockout For Life

This dramatic video reminds workers of proper lockout procedures and the tragic penalties for not controlling energy. A perfect refresher. #7-S39-SS \$595

Slips, Trips And Falls: Taking The Right Steps

This high-impact training program advocates solid safety measures: awareness, good housekeeping and proper equipment use. #7-S320-SS \$595
