

Driven To Distraction

Driving distractions cause crashes. This groundbreaking program will point out exactly how dangerous distractions in the car can be. The main character is the embodiment of distractions such as cell phones, food and drink, make-up, briefcases and many more. He delights in distracting drivers and causing accidents – from fender-benders to fatal crashes. After watching this, you and your employees will be far more focused behind the wheel.

- Cell phones vs. drinking and driving
 - Eating and drinking in the car
 - Road rage
 - When eyes leave the road
- (20 min) **DuPont.** #26-S412-DVD \$495
Available in French.

Driven to Distraction II

Distracted driving is a factor in up to 8,000 crashes daily on North American roads. Nearly 6,000 fatalities involved distracted driving. Texting, eating, tweeting, chatting all these can be deadly behind the wheel. Help raise awareness among your employees and help keep them safe.

- Talking to passengers
 - Personal grooming
 - MP3 players
 - How distractions affect the driver
- (20 min) **DuPont.** #26-S509-DVD \$495

Defensive Driving Real, Real Life

This video teaches your employees that attitude is the key to safe driving. Zany host Tim Wright takes you through this fast-paced video that provides important safety tips on such issues as road rage, drinking and driving, proper vehicle maintenance and car jacking. (15 min) **DuPont.** #26-S205-DVD \$495

Crash Course: Vehicle Incident Reporting

This “crash course” in vehicle incident reporting is designed to provide your drivers with an overview of the correct procedures to follow in the event of a collision. Your employees will learn what type of information they need to gather from the accident scene in order to document the accident and conduct a successful investigation. (16 min) **CLMI.** #39-VIR-DVD \$395

Safety On The Road: Defensive Driving For Delivery Vans

This program will educate your employees on proper driving techniques. Your employees will learn everything they need to know to prevent accidents on the road and safely complete deliveries - from pre-trip inspections to unique van-handling characteristics, to practices for varying weather conditions. (16 min) **CLMI.** #39-DVD \$395

The Knock on the Door

The Knock at the Door recounts the tragic true story of 20 year-old Phil Cummings, who was killed by an alcohol impaired driver. The story, as told by Phil's father, presents a powerful reminder about the dangers of drinking & driving. It also reinforces the message that driving brings with it a great deal of responsibility. (6 min) **Aurora.** #47-S31-DVD \$299

Before You Turn The Key

Staying safe behind the wheel requires full-time attention - not only to what's going on on the road but also to all things in and around your vehicle. DuPont's newest driver safety training DVD, Before You Turn The Key, will remind you and your employees of the importance of adjusting things properly in the car you drive each and every time you climb in. Side view mirrors, rear view mirror, head rests, safety belts and seat position can mean the difference between remaining safe in a crash and suffering severe injuries and even death. Do you and your workers know the importance of a pre-trip walk around inspection? You will after watching this riveting safety training program. **DuPont.** #26-S427-DVD \$495

Defensive Driving (For Government Employees)

For government employees, motor vehicle accidents are by far the leading cause of death on the job. This new video program looks at techniques to help prevent accidents from happening, and in the case of unavoidable accidents, help lessen their severity.

- What is defensive driving?
 - Respect for the vehicle
 - Your responsibility as a driver
 - Proper/safe driving techniques
 - Seat belts
 - Driving in poor weather
 - Speeding, right-of-way, passing, tailgating
 - Distractions and road rage
- (19 min) **DuPont.** #26-S285-DVD \$495

Defensive Driving: Prepared For The Worst

Defensive drivers anticipate how to deal with road hazards, poor weather conditions, vehicle collisions and crime. This important program shows how to stay in control by being prepared for the worst!

- Nature's forces
 - Night driving
 - Breakdown basics
 - Accidents
 - Road construction
 - Personal security
- (18 min) **DuPont.** #26-S165-DVD \$495
Available in French.

When You Least Expect It

Shows exciting and dramatic crash scenes that leave a lasting impression. This video illustrates the wrong way/right way to drive. McLean Stevenson hosts this excellent program designed to show people that problems arise when least expected. Parents, teens, and professional drivers will benefit from watching. Guide available. (25 min) **Aurora Pictures.** #47-S3-DVD \$399

Driver Awareness

This program puts viewers "in the driver's seat" as they watch 35 different moving traffic scenes played out in front of them through the windshield of "their" vehicle. Following each scene, viewers must choose whether the action taken was correct or incorrect. At the end of the program, all the traffic scenes are reviewed and the correct response is explained. This program comes with a reproducible copy of the test. (35 min) **VIDPRO.** #90-4701-DVD. \$200

A Matter Of Time

In this video, viewers watch through the windshield of "their" vehicle as different traffic sequences show how accidents happen. (10 min) **VIDPRO.** #90-4702-DVD \$200.

Available in French.

Distracted Driving At What Cost?

A recent study shows that up to 50% of crashes involve some sort of driver distraction. This video helps us become aware of this increasingly dangerous behavior. Several examples of driver distraction are illustrated. There are two versions of this video available. One takes a slightly more humorous approach than the other more serious version. (15 min) **Aurora.** #47-S24-DVD \$399

Vital Choices: Drinking, Driving & Seatbelts

The viewer will hear the real life experiences of State Trooper Bill Ethridge and a victim of a drunk driver. These experiences will force them to think about driving safely, wearing safety belts and the consequences of drinking and driving. (18 min) **ERI.** #48-9317-DVD. \$495

The Blindfold Effect

This dramatic 17 minute video trains with three scenarios depicting passenger vehicles, vans and light delivery trucks. Pedestrian safety, cellular phone use, following too close and backing are discussed. Includes Presenter Guide and reproducible participant guide and quiz. (17 min) **Aurora.** #47-S15-DVD \$399

Emergency Response Driving

There are risks involved anytime you get behind the wheel of a vehicle, but when you're driving an emergency vehicle -- with lights and sirens blaring -- those risks are multiplied. This program covers what it means to drive in emergency response situations and includes driving tips to make sure your trip is a safe one. (22 min) **DuPont.** #26-S302-DVD \$495

Distracted Driving At What Cost? Transit Version

This program is designed to raise awareness about the dangers of driving distractions, while providing information and suggestions that will help bus operators control distractions and remain focused on their driving. (15 min) **Aurora.** #47-S24-BUS-DVD \$425

Winter Driving

Snow, ice and freezing temperatures create a nightmare for any driver - but for employees who drive constantly as part of their jobs, the nightmare is compounded. This program examines the hazards of winter driving and how to avoid them. (17 min) **DuPont.** #26-S71-DVD \$495

Winter Driving: When The Rules Change

This attention grabbing video dramatically illustrates the importance of adjusting our driving techniques when winter rolls around. The video addresses:

- Vehicle preparation for winter
 - Adjusting schedules for winter driving conditions
 - Maintaining good visibility
 - Winter driving techniques, including intersections, cornering, skid control, braking and slowing down
 - Winter survival supplies and techniques
- (15 min) **Aurora.** #47-S25-DVD \$425.

Defensive Driving: I Could See It Coming

Defensive driving is about reducing inconvenient, expensive and sometimes deadly surprises on the road. It's about taking steps to make sure drivers do see what's coming. Because when a driver gets behind the wheel of a vehicle, one issue must take precedence over all others: safety. If you have employees who use step vans, autos or cargo vans, it is important for you as an employer to teach them about the unique handling skills needed to safely operate these vehicles. (15 min) **CLMI.** \$395 each
#39-ICSABP2-DVD (Auto)
#39-ICSSVBP2-DVD (Step Vans)
#39-ICSCVBP2-DVD (Cargo Vans).

Defensive Driving: A Crash Course

Motor vehicle accidents are the number one cause of work-related injuries and deaths. This video discusses how to be a defensive driver, recognizing hazards and staying alert. (16 min) **DuPont.** #26-S155-DVD \$495
Available in French.

Driver Training Programs from the Leader & Originator of Defensive Driving

Parking Safely

Parking can be just as hazardous as driving in traffic, since many drivers and pedestrians disregard all normal traffic laws once they arrive in a parking area. This 14 minute video is designed to refresh even experienced driver's parking skills, including:

- Following basic rules of the road
 - Scanning for hazards
 - Covering the brake
 - Compensating for blind spots
 - Staying within designated parking lanes
 - Backing the vehicle
- (14 min) #198-1-DVD \$175

Reduce Your Risk

This 15 minute video demonstrates Personal Safety Techniques employees can use anywhere. Crimes often occur while driving, parking or walking to and from vehicles, and this video also covers protection against mugging, car theft, car jacking and other vehicle related crimes.

- Safety precautions in parking garages
 - Rental car safety
 - Safe actions in unfamiliar areas
- (15 min) #198-2-DVD \$175

Road Rage: How To Protect Yourself

Aggressive driving is on the rise. Statistics show that the problem is not unique to a particular city, community or age group. This new 10-minute video is packed with information drivers need to know about maneuvering safely in today's stressful and often dangerous driving environments.

(10 min) #198-8-DVD \$175.
Also available in French.

Snowplow Safety

This 23 minute video zeros in on the safety aspects of driving with a snowplow and can be used in a classroom setting or as a self-study. It is ideal for training newly hired snowplow operators and as a refresher for experienced operators.

- Equipment inspection
 - Positioning of the truck
 - Scanning
 - Mirror use
 - Defensive driving techniques
- (23 min) #198-6-DVD \$175

Backing Safely

Backing is the cause of a disproportionate number of collisions. This 12 minute video offers practical safety information to help eliminate backing collisions.

- Tips to avoid backing
 - Specific steps for a safe back
 - Backing with a helper
 - Backing with a trailer
- (12 min) #198-5-DVD \$175

Snowplow Safety: Parking Lots

This video focuses on specific safety issues regarding the plowing of parking lots.

- Pre-season site inspection
 - Equipment inspection
 - Scanning for hazards
 - Clearing entrances and exits
 - Working with other snow removal equipment
 - Special considerations for plowing 24-hour operations (convenience stores, hospitals, etc.)
- (16 min) #198-7-DVD \$175

Modern Technology And Driving

In just 15 minutes this video covers critical safety issues involving:

- Air bags
 - Automatic safety belts
 - Anti-lock braking systems
 - Four-wheel drive
 - Cruise control
 - Adjustable steering wheels
 - Car phones
 - High-tech audio systems
- (15 min) #198-3-DVD \$175

Low Visibility And Driving

This video addresses factors that can decrease a driver's ability to see or be seen.

- Fog, snow, rain and bright sun
 - Night driving
 - Oversized vehicles
 - Obstacles within the vehicle
 - Blinding spray from passing vehicles
 - Effects of shadows
 - Safe-stopping areas
- (10 min) #198-4-DVD \$175

It's Good Business: A Supervisor's Guide To Defensive Driving

This program is designed to help you conduct a training session that will improve supervisors' effectiveness in monitoring employees' driving. Specifically, supervisors will learn skills for observing driving behaviors and correcting unsafe driving practices. (13 min) **CLMI**. #39-IGB-DVD \$395

Why Do We Drive The Way We Do? It's All About Choices

Getting drivers to recognize the choices they're making is the first step toward changing those behaviors and improving safety. Safety does not have to be sacrificed for productivity. This program is designed to help you conduct a training session to ensure that employees recognize that they are professional drivers and need to operate vehicles with professional attitudes and professional defensive-driving skills. (11 min) **CLMI**. #39-IAACBP2-DVD \$395

Safe Operation & Use of All Terrain Vehicles (ATV)

Industrial use of all-terrain vehicles or ATVs has increased dramatically over the past several years. While originally designed for recreation, ATV drivers must still know and understand the basic safe operating skills needed to ride them safely. (14 min) **ERI**. #48-2489-DVD \$495

Defensive Driving: 15 Passenger Van Safety

National Highway Traffic Safety Administration research found that the rollover risk of 15-passenger vans dramatically increases as the number of passengers increases. Be sure operators of your 15-passenger van know how to operate safely with this high-impact training program. (11 min) **DuPont**. #26-S319-DVD \$495

Emotional Wreck

Give your employees this eye-opening look at what constitutes aggressive driving, what contributes to it and how one driver's acts can cause a "domino effect" of bad decisions that may lead to tragedy. After watching this dramatic exposé of the dangers of impatience, selfishness, obliviousness and competitiveness behind the wheel, your employees are sure to drive as if their lives depend on it. (23 min) **DuPont**. #26-S434-DVD \$495

Street Smarts

Bring your employees back to the basics of safe driving with Street Smarts. The newest and fourth addition to DuPont's award-winning driver safety training series, this program will boost your workers' safety awareness and ensure their well-being by reminding them how their lives depend on following the "rules of the road" Freshen up their driving know-how and help save their lives with Street Smarts.

- The proper driving position for hands
 - A trucks "No Zone"
 - Secure vehicle break down procedures
 - Difference between rural and city driving
 - How to avoid becoming a victim of crime
 - How to react in order to avoid a crash
- (18 min) **DuPont.** #26-S439-DVD \$495

Preventing Motor Vehicle Collisions

In this motivating program, EMT/firefighter Martin Lesperance recalls the stories of the collision scenes he has attended to illustrate the consequences of the six most common driving errors. Stressed during the presentation is the point that most of these incidents were not accidents - they were actually predictable and preventable events that didn't have to happen. (20 min) **ERI.** #48-2441-DVD \$495

Modern Driving Hazards: Road Rage, Cell Phones & Other Dangers

This video opens with a driving scenario common on today's roads and highways. A driver talking on a cellular phone loses concentration and nearly hits another vehicle. As we examine the causes of this unfortunate situation, viewers will learn about the following:

- Causes of road rage
 - How to prevent and diffuse road rage and other situations
 - The hazards of driving while using cellular phones, laptop computers, and other high-tech devices
 - Safety tips for using cell phones while driving
 - Share the road/showing respect for other drivers
 - Non-violent version available
- (19 min) **ERI.** #48-9933-DVD \$495

Distracted Driving: Game Over

It's easy for your employees to forget that driving itself requires their full attention with no room for additional tasks. DuPont Sustainable Solutions' new powerful training DVD, Distracted Driving: Game Over will help remind them of the dangerous consequences of letting distractions take over in the car. They'll ride with the sinister game master in his virtual reality game of "Stay Alive". It's too late for the drivers in this program to change their habits, but hopefully it will make your employees think twice about texting, chatting, eating, tuning the radio, grooming and performing countless other non-essential tasks behind the wheel. (20 min) **DuPont.** 26-S529-DVD \$495
