

Safety Orientation: On The Alert

Employees' safety — and survival — at work demands their keen and constant vigilance. It means they need to be alert as eagles — constantly aware of surroundings and ready to respond to the unexpected. Perfect for new hire or contractor safety training, DuPont's *Safety Orientation: On Alert* video will increase your employees' safety awareness of the eight core topics covered. (24 min) **DuPont.** #26-S276-DVD \$495

Don't Be A Dummy About Industrial Safety

In this video from our "Don't Be A Dummy" Series, our workplace "dummies" show viewers just how easily accidents can happen. But accidents don't just happen to dummies, they happen to real workers with families, like your employees. This comprehensive orientation program covers sixteen specific training topics essential for new hires while stressing the importance of development of a good safety attitude. Topics include: Lockout/Tagout, Electrical Safety, Power Tools, Warning Signs, Good Housekeeping, Emergency Plans, PPE, and Working Around Machinery. (19 min) **ERI.** #48-2101-DVD \$495

The Newcomers

Keep safety on everyone's mind with this revolutionary safety orientation training program for new and veteran employees. The Newcomers follows five new employees as they navigate their first day at work. Their interaction with veteran employees points out the importance of having everyone focused on safety. Your workers will keep score of safety mishaps until the surprising and sobering end. (22 min) **DuPont.** #26-S405-DVD \$495

Retail Safety Orientation

This new program examines the hazards retail employees face and the steps they can take to avoid them. The program covers everything from back injuries and slips, trips and falls to fires, hazardous chemicals and bloodborne pathogens. A section on first aid trains employees to assist injured co-workers. This important information will help your retail employees stay safe on the job and protect themselves and their co-workers from serious injury. (21 min) **DuPont.** #26-S345-DVD \$495

Employee Safety Orientation

This up-to-date program covers policies and procedures in a variety of different work environments including: smoking; alcohol and drug usage; drug testing; violence; sexual harassment and emergencies. Designed for discussion breaks!

Industrial Safety Orientation: A Winning Attitude

Walking in an industrial setting presents unique hazards. This video program reviews safety procedures to protect employees from the most common industrial hazards. We recommend showing it to everyone in your organization. (18 min) **DuPont.** #26-S127-DVD \$495
Available in French.

Hotel Safety Orientation

The hazards of working in a hotel setting are unlike any other. Besides being responsible for the safety of your employees, you are equally responsible for the safety of your guests. Help all of your employees take a pro-active approach to safety by reviewing what to watch out for in your hotel. (18 min) **DuPont.** #26-S128-DVD \$495

Just Another Day

Are your veteran employees getting complacent about safety? Do they skip the safety procedures at times assuming that since they've done something dozens of times, they can skip them without consequences? Stop this mindset from taking hold with Just Another Day DuPont's new hazard recognition training program developed especially for the experienced worker. Your employees will keep score as they follow the five main characters through a typical work day. How many hazards they miss as they encounter one risky situation after another until the sobering ending. (20 min) **DuPont.** #26-S435-DVD \$495
