## **Career Opportunity: Inside Sales Representative – Workplace Safety Training Industry**

Electrolab Training Systems, located at 335 University Avenue, Belleville, ON, is Canada's #1 source for workplace safety training. We're proud to have served Canadian industrial and educational customers for over 35 years. We have now achieved significant success in the United States as well, with our award winning safety training program, "SafeStart".

Due to growth we have an opening for an Inside Sales Account Manager for SafeStart. This position is a telephone based sales position operating out of our Belleville office. There are established business accounts, but we are looking for an individual excited about creating growth. If you have demonstrated skills in sales/customer service, perseverance, organizational and computer abilities, and teamwork/communication strengths please consider this opportunity. We are looking for someone to join our team for the long term!

This is a full-time position. A competitive hourly rate plus commissions and benefits is offered. As well, Electrolab is a profit sharing company, offering a respectful work environment, and flexible hours.

To learn more about our organization, visit [www.electrolab.ca](http://www.electrolab.ca) and [www.safestart.com](http://www.safestart.com).

If you'd like to learn more about the position, or to apply, please contact:
